Hello Club Members:

Well our show did not happen because of Mother Nature. That only means that it will be BIGGER & BETTER than ever in the fall. More pre-registrations are coming in and we just might be able to close out the show before it even happens. The last count before the show was 75, which was 2 more than last year. Now we have 78 signed up. Limit is 100 Corvettes.

I am still taking donations for our show in Oct.

The saying has been, I waxed my car for the show and now I have to wax it again in Oct. Sorry

Club members had a wonderful time at Palmer Race Track on Saturday May 26th. Pictures are all over our Facebook page. Another great time for our club was at the Ludlow Parade. More pictures on our Facebook page. Sheri & Glen with our club banner walking the parade. Thank You!

Just a quick reminder. Members **Must** make **4** events per year to stay active. This is NOT hard to do.

If you have a medical or other reason for not attending, let Ken or myself know. We want you in our club as an active member. We have over 35 events per year that count for the 4.

We are doing more events with the Ct. No Rules Corvette Club. We welcome them to our events and they welcome us to their events. They are a great club to be friends with.
